

**Endnotes for Professor Nadine Strossen’s New Epilogue to the 2020 Paperback Edition of  
HATE: Why We Should Resist It with Free Speech, Not Censorship  
(Oxford University Press 2018)**

**EPILOGUE: Why We Should Continue to Resist Hate with Free Speech, Not  
Censorship—Including on the Dominant Social Media Platforms**

**Note to readers from Nadine Strossen:**

I gratefully acknowledge the excellent work of my New York Law School student Research Assistants, who prepared these endnotes. Most of the work was done by my outstanding Managing RA Caroline McGuire. Other valued contributions were made by Kelly Barrett, Jasmine Bridges, Kirstin Kovats, Aaron Hansen, Serene Qandil, Shukra Sabnis, and Marc Walkow. I also thank Regina Chung, NYLS’s Assistant Vice President of Marketing and Communications, for her superb work on the Website. Additionally, I am grateful to all other members of NYLS’s terrific Office of Marketing and Communications team.

Any readers who might have questions or comments about any endnote or source, or who might seek additional information about any point in the book, is welcome to contact me via Email: nadine.strossen@nyls.edu. I will endeavor to respond as promptly as feasible, consistent with a heavy travel and speaking schedule.
