**FASHION'S TECH  
REVOLUTION: NFTS,  
WEB3, AND THE  
METAVERSE WITH  
FRANCESCA  
WITZBURG OF  
LOZA & LOZA LLP**

**Francesca Witzburg** currently serves as a partner at the IP law firm Loza & Loza LLP. She represents an array of clients in various industries, including those in fashion, art, entertainment, music, tech, NFTs, the metaverse, and Web3. Francesca will lead a discussion on why NFTs, Web3, and the metaverse are important; the ways in which they have revolutionized the fashion industry; and the legal implications behind each, including how to protect and monetize IP assets in these areas.
