
SOLAR ECLIPSE VIEWING

The **SUN** and
the **MOON**
for our
NYLS STARS

April 8, 2024

3:15 p.m. sharp

Fifth Floor Rooftop Terrace

Join Dean Anthony Crowell for a snack break to watch the solar eclipse. Sun, moon, and star cookies and beverages will be served.

*CE/ISO-approved solar eclipse viewers will be available on a first-come, first-served basis. Warning: Never look at the sun without special eye protection. When viewing the eclipse, use CE/ISO-approved viewer or glasses at all times when any part of the sun is visible.
