Speakers: **Sanjay Sanghvi**, Partner, Khaitan & Co
Rahul Jain, Partner, Khaitan & Co

Structuring and implementing a cross-border investment, either directly or indirectly, involves navigating various tax intricacies to ensure there is reasonable certainty of the overall tax cost and to build in optimal strategies. In this session, we will discuss case studies that have garnered the attention of global tax fraternity and walk through critical concepts including taxes in source and home jurisdiction, tax treaty strategies, intermediate jurisdictions and its impact, and compliance essentials.
