

BAR REVIEW VENDOR POPP-UP

Tuesday, January 20, 2026

W Building, Café Lexpress Lounge

It's never too early for bar prep!

All upper-level students are welcome and encouraged to visit the bar vendor tables to acquire free MPRE prep materials and investigate discounted rates for post-graduation bar preparation.

Vendors are invited to set up between 9:00 a.m. and 6:00 p.m.

Please check newsletters from the Office of Academic and Bar Success Initiatives for more vendor information and contact vendor or campus reps directly if you would like to visit the booth at a specific time.

All 3L and 4LE NYLS students should purchase a full-service commercial bar review course and devote 10 weeks to full-time bar preparation.
