

FRONTIER AI AND CYBER RISK: COMPARATIVE LEGAL AND PRACTICAL CHALLENGES

Thursday, November 5, 2026 • 12:45 p.m.—2:00 p.m. ET

This program will examine how increasingly capable frontier AI systems are changing the cybersecurity threat landscape and the effectiveness of the U.S. and EU legal approaches in addressing these new challenges. It will also explore how these developments affect contractual risk allocation, corporate governance, and potential liability. Attendees will gain a practical framework for advising organizations on managing new cybersecurity and AI risks across borders.
